ONE TEAM. ONE OUTFIT.

There is no second chance for a first impression. Therefore, professional staff outfits are so important. Corporate fashion also boosts team spirit. Respectable, modern, reliable – corporate fashion is the textile figurehead of a company. This helps the employee to identify with the company and his colleagues.

ALL COLORS AT A GLANCE

JAMES & NICHOLSON by Daiber offers the complete corporate fashion package. Thanks to a large color selection and a huge variety of products, any company will easily find a suitable corporate outfit, which can be decorated with their own logo to create a perfect appearance.

ESSENTIAL STYLE

Highest functionality meets modern looks. Because a good outfit is worn at work as much as afterwards. All ESSENTIAL STYLE items can be combined with each other and with items of existing collections.

SOLID STYLE

Functional materials combined with trendy, reflective elements and thoughtful details such as triple-stitched seams, CORDURA® reinforcements and concealed zips. One-colored, cool, modern!

COLOR STYLE

There is a lot of experience in our workwear. Therefore, COLOR STYLE has been convincing for years with a durable and elastic quality, tearproof seams and numerous pockets. The zips and buttons are concealed.

STRONG STYLE

Our high-performance professional collection, hard-wearing and reliable. Important spots like knees and shoulders are reinforced with CORDURA®, the seams are tearproof. Details such as ventilation openings are taken for granted.

SOLID STYLE

ASPIRATION AS A MISSION

STRONG STYLE

NO HALF-WAY MEASURES

The high-performance STRONG STYLE collection is hard-wearing and reliable. Important spots like knees and shoulders are precisely reinforced with CORDURA®, the seams are tear-resistant. Details like ventilation openings are taken for granted. Workwear the way workwear should be!
